

Product 07090600 Thixotropic agent for VIASOL **WHG N** systems

1 General Data

Fields of application

VIASOL X906 is a thixotropic agent especially for VIASOL **WHG N** systems which must be applied on inclined or on vertical surfaces and connections (wall, pillars etc.).

Product description

VIASOL X906 ist a highly branched filler based on PE-fibres.

Application

VIASOL X906 is added after the complete mixing of component A and B of the VIASOL liquid resin product. It is then mixed again until homogeneous.

The dosage will vary depending on ambient and material temperature and humidity and on the material consumption. Therefore tests on job site for the right dosage have to be made before application.

As a general rule we recommend at 20°C:

for slopes between 0.3 - 1.0 % by weight

for vertical surfaces between 1.0 – 3.0 % by weight

(A) Technical Data

Solid product

1. Solids content	100 %
2. Density	0,96 g/cm ³
3. Packaging	10 kg sacks
4. Shelf life (20 °C)	24 month
5. Storage	Dry at 5 – 25°C, avoid direct sunlight

Disclaimer

All information in this technical data sheet is based on our current knowledge and experience. This does not release the applicator from performing their own tests as many application factors, beyond our control, affect the application of our product. No guarantee of characteristics or suitability for a special purpose can be derived from this information. All present data, descriptions, drawings, photos, ratios, weights etc. are subject to change without prior notice and do not represent contracted characteristics of the product.

Due to different materials, sub-bases and working conditions, no guarantee of an application result or any liability claims can be derived from these details or from an unwritten technical advice except for liability claims based on:

-damage to life, body or health resulting from a negligent violation of obligations or a deliberate or negligent violation of obligation of a legal representative or assistant and

-if we are charged with intention or gross negligence.

The user has to test the products for their intended use.

The user is responsible for following existing laws and orders and for observing third party trade mark rights.

As all VIACOR data sheets are updated on a regular basis it is the users responsibility to obtain the most recent issue (see www.viacor.de or contact us directly).
