>> object: **Medical College Ground & Chandrasekharan Nair Stadium in Kerala, India**

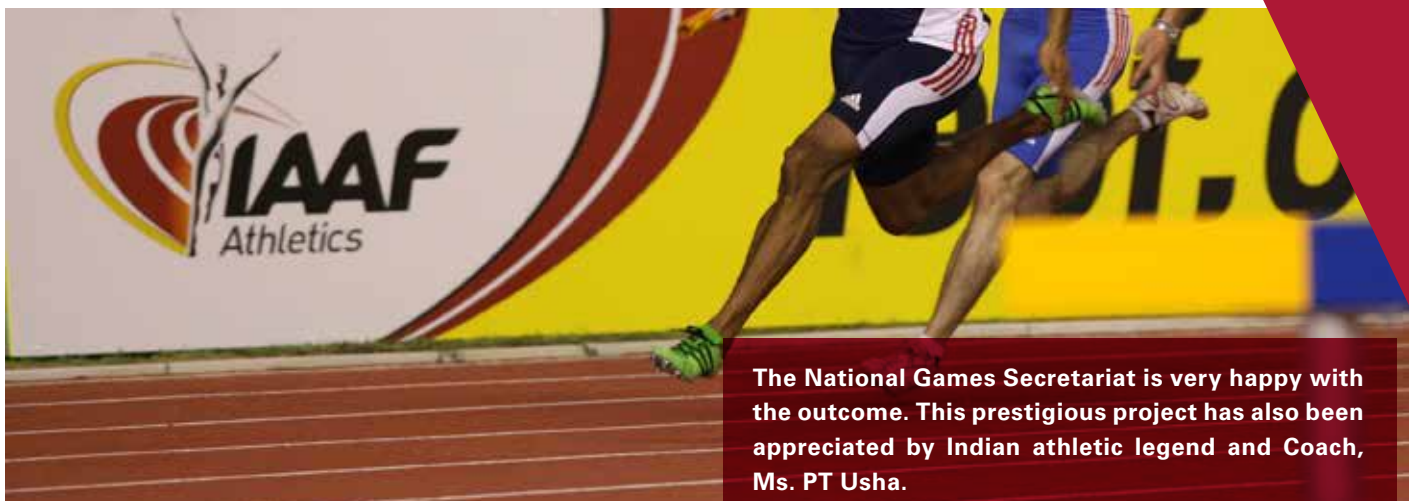

The National Games Secretariat, Kerala contracted PORPLASTIC partner Great Sports Infra for the installation of two IAAF athletic tracks for the 35th National Games in Kerala: the Medical College Ground (8100m<sup>2</sup>) and Chandrasekharan Nair Stadium with 400m, 8-lane synthetic athletic track and thickness of 13mm.

Porplastic delivered its high performance coating PORPLASTIC*SW competition* for this project. The installation process began with the grading of the field, excavation and compaction. Later the applicators laid WMM and broadcasted EPDM granules for applying subsequently the Bitumen, followed by the PU coating and then line marking.
